ONLINE SAFETY · OCTOBER 2026

Before the new devices arrive

New console or tablet this Christmas?

Set it up before it's unwrapped. Our free checklist gives you every setting to change for your child's age and devices, from Switch and iPad to Roblox and YouTube. **playgroundradar.com/checklist**

Why is EA Sports FC 27 rated 16?

It's the first FC game rated above 3, and it isn't about the football. Since June, PEGI rates games with loot boxes (here, Ultimate Team card packs) 16. If your child plays it, set their spending to zero.

Toy safety: sand-filled toys

All 39 UK safety alerts for asbestos in toys have come this year, including sand-filled squishies and sand art kits. Check any toy by name or barcode, or scan the box with your phone.

Word of the month: "six seven"

It means nothing at all. Kids shout it for fun with a hand gesture like weighing two things, and any number ending in 67 will set them off.
