GTA 6 lands on 19 November

GTA 6 is rated 18

Grand Theft Auto 6 comes out on 19 November for PS5 and Xbox Series X|S, rated PEGI 18 for violence, sex scenes, nudity and drug use. It's single-player, but the console's party chat still works while it runs. If it's a no in your house, set the console's age limit now, before the pestering peaks. **playgroundradar.com/gta6**

Setting up a present on Christmas Eve?

Do it the night before, while it's still in the box: updates, a child account, time limits, spending and chat. The free setup guide covers Switch, PS5, Xbox, iPad and Android tablets. **playgroundradar.com/setup**

Recall: ASDA Kidz Pop Up Bear Tent

ASDA has recalled this children's pop-up tent because the zip could trap a child inside (GOV.UK, 5 October). Stop using it and take it back to any ASDA store for a full refund. Check any other toy by name or barcode, or scan the box with your phone. **playgroundradar.com/recalls**

Word of the month: "aura"

Aura is someone's cool factor. Do something embarrassing and you've lost aura. "Aura farming" is trying to look cool on purpose. Teachers rank it one of the most common words in UK classrooms this year. **playgroundradar.com/aura**
